ORDER

I am happy to note that with the active intervention of the parties, the matter has been settled and a demand draft, amounting to 52,000/-, drawn in the name of the Petitioner/Complainant, is handed over to the Counsel appearing on his behalf before me today.

The Counsel appearing for the Manufacturer submits that a person from the Company would be visiting the Complainant within a period of two weeks to collect the laptop in question, for which the Complainant has no objection.

Accordingly, this Revision Petition is disposed of as settled.
